

Museum Storage Equipment

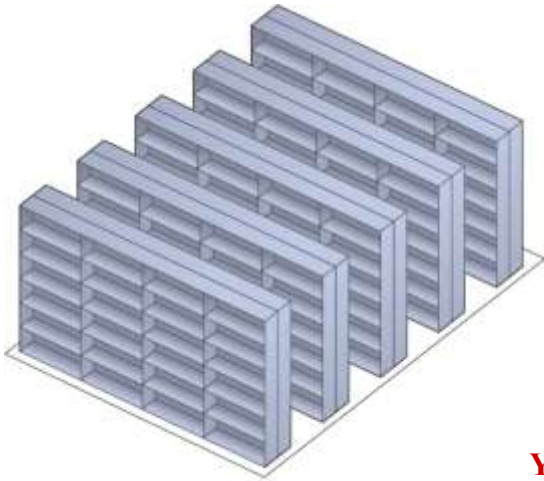

Preserve Precious Storage Space with Mobile Aisles

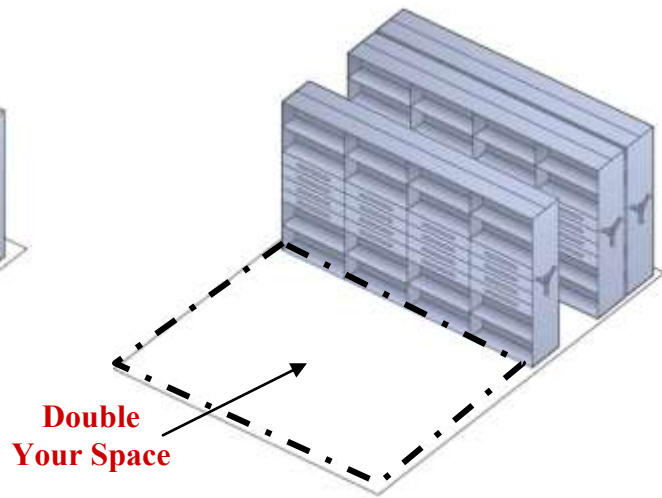

EQUIPTO Mobile Aisle Systems helps you preserve your storage space and take advantage of every square inch. Mobile Aisle Systems easily integrate with EQUIPTO V-Grip Shelving to create a custom designed solution to solve storage needs with modular components like solid/wire shelves, modular drawers, locking cabinets and reflective white side/back panels. Choose from a variety of powder coated paints that emit no harmful chemicals and protect your archives and artifacts from deterioration while maximizing your space.

Standard Shelving Layout
