

V-Grip™ Drawer Units

Add drawers to your V-Grip unit to create even more space saving solutions. Store small parts in the drawers and large parts on the shelves for a complete storage solution.

V-Grip™ Locking Half Cabinet Doors

If you have items that need to be held under lock and key, then, a half cabinet door is the perfect choice to combine the versatility of a V-Grip unit with the security of a locking cabinet.

V-Grip™ Locking Half Cabinet Doors with Quick View Panes.

If you have items that need to be held under lock and key, then, a half cabinet door is the perfect choice to combine the versatility of a V-Grip unit with the security of a locking cabinet. If you want viewability without having to open the doors then V-Grip with Quick View Doors is the choice for you.

V-Grip™ Divider Units

Easily organize and separate important products for easier access and retrieval with divider units that easily pop in and out for multiple width and placement options.

V-Grip™ Locking Full Cabinet Doors

If you have items that need to be held under lock and key, then, a full cabinet door is the perfect choice to combine the versatility of a V-Grip unit with the security of a full locking cabinet.

V-Grip™ Locking Full Cabinet Doors with Quick View Panes.

If you have items that need to be held under lock and key, then, a full cabinet door is the perfect choice to combine the versatility of a V-Grip unit with the security of a full locking cabinet. If you want viewability without having to open the doors then V-Grip with full Quick View Doors is the choice for you.

V-Grip™ Shelving features the most efficient fastening principle known:

Corner shelf reinforcements with extruded studs insert easily into tapered slots in uprights. Shelf corner drops firmly over corner reinforcement and seats itself. Four-way, crossed tension minimizes deflection, and imparts superior strength and rigidity to the unit.

Want more? Consider these options for V-Grip™ Shelving!

Deckover Platforms

Combine the versatility of V-Grip shelving with the space saving of a deckover platform and easily double your storage space by building up, not out.

Mobile Aisle Systems

You can also double storage capacities by adding V-Grip shelving to a Mobile Aisle system, which turns the same footprint into twice the space.
