EQUIPTO LIMITED LIFETIME WARRANTY

EQUIPTO warrants that products of its manufacture are designed to hold the distributed static load as shown in the current **EQUIPTO** product catalog posted on the **EQUIPTO** website. All shelving and racks units are designed to conform to Shelving Manufacturers Association deflection standards. **EQUIPTO**, in its sole discretion, shall repair or replace a component, which becomes distorted or suffers a permanent change while holding the uniform distributed load capacity warranted hereunder.

This warranty shall become effective only upon proper installation of the product in accordance with **EQUIPTO's** printed assembly sheets. This warranty shall extend for the normal lifetime of the product, except for wear on glides and bearings. Mobile Aisle Systems are warranted for 5 years with the exception of any motors, controllers and wiring that are used in the motorized pallet rack system, which are warranted for 1 year under normal wear and tear. Damage resulting from alteration, misuse, abuse, neglect, improper use, fire, flood or Acts of God is not covered under this warranty.

Any outside purchased product that is included in Equipto Storage Systems shall carry that manufacturers' warranty.

EQUIPTO's obligations under this Warranty, and Buyer's exclusive remedy, is solely limited to repairing or replacing, at **EQUIPTO's** sole discretion, free of charge, FOB point of manufacture, any component part or parts which is determined by **EQUIPTO** to be defective under this Warranty. This Warranty does not apply to any unit, or part thereof, which in the sole discretion of **EQUIPTO** has been: (i) replaced, repaired or altered without **EQUIPTO's** written consent, outside **EQUIPTO's** factory or altered in any way so as, in the judgment of **EQUIPTO**, to affect adversely the uniform distributed static load capacity of **EQUIPTO's** product; or (ii) the subject of misuse, negligence, or accident; or (iii) installed other than in accordance with **EQUIPTO's** printed instructions; or (iv) maintained in an environment which contributed to the deterioration of the raw material. This Warranty shall not cover costs in respect to labor required to disassemble or reassemble the unit, or damages to persons or property. As well, "Field Modification" outside of **EQUIPTO** engineering specification will void all Warranty coverage. No such agreement to replace or repair shall constitute an admission by **EQUIPTO** of any legal responsibility to affect such replacement or to make such repair. Buyer must notify **EQUIPTO** by registered mail or certified mail, return receipt requested, of a breach of this Limited Lifetime Warranty within (30) thirty days after discovery thereof, otherwise, such claim shall be deemed waived.

Equipto will not warrant any product left outside for any length of time prior to installation. It is the responsibility of the consignee to store all received materials indoors prior to installation. Any product left outside prior to installation that is effected by weather conditions will have to be repurchased by the buyer.

THIS LIMITED WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, INCLUDING, WITHOUT LIMITATIONS, CONSEQUENTIAL DAMAGES OR WHETHER SUCH DAMAGES ARISE BY EQUIPTO'S NEGLIGENCE. THERE ARE NO WARRANTIES, WHICH EXTEND BEYOND THE TERMS AND ONLY APPLY TO SHIP TO LOCATIONS IN THE UNITED STATES, MEXICO AND CANADA.

OF THIS LIMITED LIFETIME WARRANTY AS EXPRESSLY STATED HEREIN. BUYER ACKNOWLEDGES THAT NO OTHER REPRESENTATION WAS MADE TO HIM/HER WITH RESPECT TO THE QUALITY AND FUNCTION OF THE UNITS SOLD UNDER THIS WARRANTY.
