

# EQUIPTO

Equipto Information Release

For Immediate Release

To our Valued Distributors and Customers,

As we start a new year with new opportunities ahead of us, we thought we would take a moment and thank you for all of your business in 2012. It was an exciting year for us as we added international opportunities and our own installation services to our growing portfolio.

Those of you who have been loyal to us for many years know that Equipto offers a broad range of storage solutions including shelving, shelving with drawers, cabinets, workbenches, mezzanine and mobile aisle solutions in a variety of standard colors. We are a small business operating in one plant in Tatamy, PA and are entirely USA made. For those of you who are just buying the Equipto product for the first time, we welcome the chance to show you our quality and timely delivery across our product line.

We experienced excellent growth in 2012 and our business remains strong. We would welcome the opportunity to serve you and your storage handling needs in the future.

Please contact your local District Sales Manager ([click here](#) to see the list), our Vice President of Sales, Randy Prinder ([rprinder@equipto.com](mailto:rprinder@equipto.com)) or any of our talented customer service representatives at [sales@equipto.com](mailto:sales@equipto.com) or 800-323-0801.

The photo above is one of our recent creative storage solutions. Given our set of standard colors, we were able to do this project near Pittsburgh in what our factory thinks of as Pittsburgh Steeler colors. This is another example of our turnkey solution which includes our own installation services.
