NEW V-GRIP OPTION 60" DRAWERS IN SHELVING

Designed to accommodate even the largest tools and parts. One drawer at a time or in any configuration to meet your current and future needs .

Heavy duty shelving above and below drawer units.

Add only drawers for what needs to be stored and/or secured at the time. No need to buy a full cabinet of drawers.

MASSIVE 60" wide x 30" deep drawers! Accommodate any oversized Tools or Parts

Side by side 2'x2' US Army foam tool holders dropped inside of Equipto's 60" wide drawer. Notice ample space between the inserts for additional tool storage!

NEW V-GRIP OPTION 60" DRAWERS IN SHELVING

Our 60" shelf with drawers can stand alone or be seamlessly integrated with Your V-Grip Tool or Parts Room System.

All 60" wide drawers available with standard, preconfigured divider and partition sets. Customization to nearly any configuration is also available.

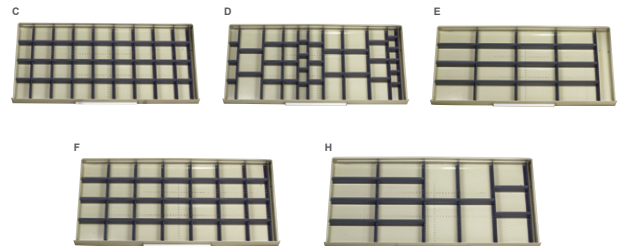

Completely Modular – Procure the full drawer bank system or only those drawers required to house your shop's current oversized tool or parts. At any time in the future, if additional drawers are required, easily add drawers in the appropriate size(s) to house your new equipment.

Military Grade Drawers – Standard 400# Capacity

Select divider sets for each drawer that will help you maximize your storage space within each drawer. Divider Sets are optional, and are not required to order a cabinet. All dividers are smooth office gray in color.

Divider kits - 60" wide
