

# EQUIPTO<sup>®</sup>

## **Dear Dealers, Distributors, and Customers:**

We are writing to make you aware of our Company schedule for the weekend of July 4th.

As many of our suppliers close for the week of July 4th, our company has decided to extend the holiday as well. We will be closed from Friday, July 1st through Tuesday, July 5th. We have been working hard and this gives us an opportunity to permit all of our employees to enjoy the 4th of July parades, picnics and firework shows to their fullest.

Please be patient with us as we will respond to your phone calls and emails as quickly as possible when we reopen on Wednesday, July 6th.

Thank you again for the opportunity to serve you and your customers. Your ongoing support of our business allows us to remain the finest material handling equipment manufacturer, with all of our products proudly made in the USA.

Sincerely,

Randy Prinder  
Vice President of National Sales and Installation Services  
Direct phone #: 484-274-9373
