

Announcing our **NEW** 2016 Equipto Product Catalog!

# EQUIPTO®

November 2015

We are pleased to announce that the

NEW

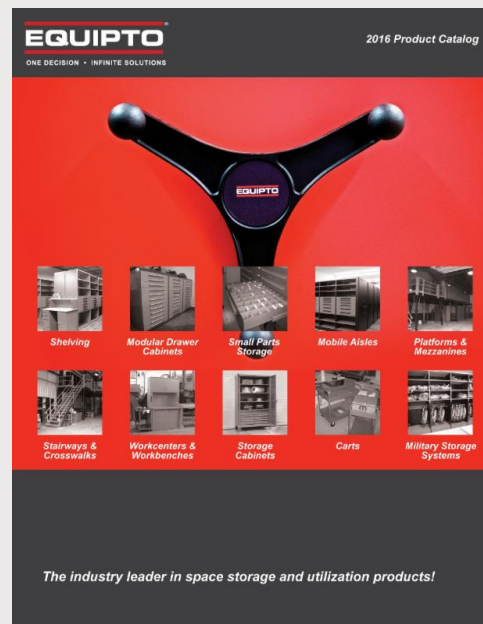

## 2016 Equipto Product Catalog

is now available

with new pictures, updated information, and additional items!

### Catalog Highlights

- Expanded line of Mobile Aisles including a new Motorized Pallet Rack Mobile Aisle
- A specialty mobile aisle for the golf industry - our Clubstor mobile and stationary storage systems
- [Specialized Weapons Storage Cabinets and Lockers](#), in stationary and mobile aisle mounted versions
- Shelving, bulk rack, shelving with drawers, and other units specifically designed for use in [Connex](#) or large storage container applications
- [60" wide shelving with drawer units](#) - our largest and strongest drawers yet, in both military focused [SATS system](#) upgrades and general commercial applications
- Wire shelving with Spill Containment Trays for the containment and storage of liquids and other fluid containers
- Pre-configured [Mezzanine Platform Units](#) in a variety of sizes and heights
- Re-designed OSHA, BOCA and IBC compliant [stairways, walkways and cross over stairways](#) - an even bigger range of sizes and code compliant alternatives

than previously offered

- New 200 lb. and 400 lb. capacity drawers for our various shelving with drawer configurations - V-Grip, Iron Grip and 36" modular drawer cabinets (makes 200 lb. and 400 lb. drawers mixable and movable with easier assembly and closure restraints)

At Equipto, we specialize in the design, manufacturing, and installation of large storage solutions including shelving, shelving with drawers, modular drawer cabinets, storage cabinets, mezzanine and shelf supported platforms, and mobile aisles. We can address all of your needs!

We appreciate your past support and look forward to showing you our new products and features.
