- Our popular Shelving with Drawers units are also available in four pre-configured drawer layouts.
- Quick Ship is available in three of Equipto's standard colors - smooth office gray, textured regal blue and textured red.
- No additions or substitutions with the pre-configured units is permitted under the Quick Ship program (custom design and modifications are always welcome, but will not be available through this program).
- Buy up to 5 open or closed shelving units or buy up to 2 shelving with drawer units.
- Standard credit terms (credit card payment NOT required any more).

We have prepared an updated single page (2-sided) flyer describing in detail the products available and the part numbers associated with each pre-configured unit.
